From Our Worthy Grand Knight

The New Year begins with two important feast days – The Solemnity of Mary, the Mother of God (Jan. 1) followed by the Feast of the Epiphany (Jan. 2). I started to research the “Great Epiphany”, and came to learn that the significance, symbolism, faith and personal traits of the Magi are far beyond the simple story of 3 “Wise Men” that followed a star. I confirmed my belief that “epiphany” is not a single event, but a series of manifestations—a constant revelation of God’s love for us and His power to save us. It is the power of “God Among Us.” We can recognize His manifestations in our lives by attentively watching and waiting. We can make a way for Him by living in gratitude for even the smallest of blessings. We won’t understand everything He’s doing, but if we are vigilant, we can see Him accomplishing His will in our life, one epiphany at a time. First two months of 2022 will be a busy month for our Council – beginning with driving event on Jan 3&4 to raise funds for our charities. January is Respect for Life month, and includes a March for Life rally on the 15th in downtown Phoenix – call or stop by the church office to reserve a seat on the bus chartered by our Council; and a special Mass for the Unborn at Corpus Christi on the 22nd. February is packed with service and fellowship opportunities including driving events, the church picnic, and the Arizona Men’s Conference. Take advantage of your membership by participating in an event with your fellow Knights. Charity, Unity and Fellowship – 12 Romans 10: love one another with brotherly affection; outdo one another in showing honor to each other.

Let’s make 2022 a great year for each of us,

Who's Gonna Drive You Home Tonight?

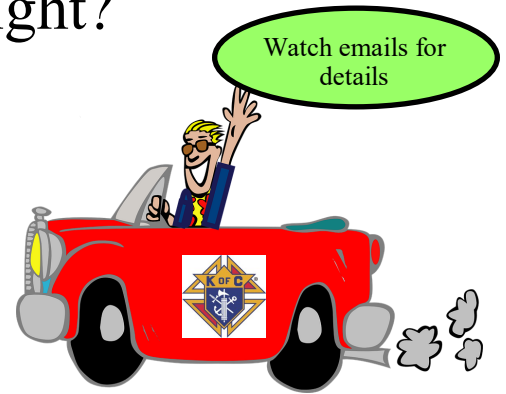

Pardon the reference to the 1984 pop hit from "The Cars" and we might not be driving patrons home exactly, but this title seemed to be in the right place at the right time. The lyrics however, maybe not so... Our Council continues to raise money by driving courtesy cars for various events.

Thank you to Bill Steinkemper, Paul Kolpek and San Tan Ford for providing the opportunities.

In November we raised over \$3600 for the Council's charities, and we completed 2 days of driving in December with more opportunities coming up:

Jan 3,4 - Post-Fiesta Bowl; Feb 1-4 Pre-Phoenix Open; Feb 14-18 Post-Phoenix Open.

Try to make room in your schedule to join in the fun on at least one of the driving days.

In Case You Missed It (Like I Did) Here's A Drive Report From November, 2021

Brother Knights:

Another fundraising driving project was completed! A huge thank you goes out to those Knights that delivered and returned vehicles from San Tan Ford to Phoenix Country Club for the recent Charles Schwab Cup Championship. With YOUR commitment to this project another \$3000+ was raised. A special thanks to Paul Kolpek for pinch hitting the second half of our project!

Be on the lookout for our announcement for drivers for the Fiesta Bowl...thanks again to my brother Knights!

Vivat Jesus

Diocese Of Phoenix Safe Environment Training

The Diocese of Phoenix is committed to protecting all children and youth by offering, at all Diocesan parishes, several abuse prevention educational sessions. The Diocesan Policy and Procedure for the Protection of Minors requires all clergy, employees, volunteers that directly serve minors, and minors to attend training on an annual basis. All other volunteers in the parish must attend Safe Environment training every other year. In Catholic education grades Pre-k through high school, every student every year participates in a Safe Environment program. In the Diocese of Phoenix all adult volunteers must complete Called to Protect for Ministries as a foundation course for Safe Environment. Called to Protect for Ministries is a 3 hour program which will teach steps that can be taken to prevent child sexual abuse and as a component of the training everyone is required to complete a volunteer application and Code of Ethics. A 45 minute renewal Training is offered for all subsequent years. This training is offered through in-class sessions at the parish or through computer "online" training. Go to phoenix.cmgconnect.org/ to learn more about the Diocese of Phoenix Safe Environment Training, to register for a training class, or to complete the online training.

Council Aids In Citrus Picking At Miles Jesu

Sale of oranges and lemons from the community's orchard is major funding source for Miles Jesu. Continuing a tradition started years ago by SK Mike Brescia, Council Knights are again helping with the harvest - with two picking days in December and more days to be scheduled in January. Great Saturday morning activity for families and youths needing service hours. Our group on Dec. 19 picked the weekly harvest of 2000 lbs. of oranges in just over an hour !

In A Word...

There Are No Words to Be Said...

Yeah...I am kind of lost for words at the moment. (Much to the surprise of my wife). So this may be a good time to express my thanks to all for your help over the past twelve months in making our newsletter a respectable vehicle for informing our Council members, well somewhat...

I know I will leave a few names out and I do not want to do that. So without causing any hard feelings, I will simply say "Thank you" to all. I could not put this together every month without the input that comes from all of you. Creating a monthly newsletter is not a terribly difficult task as long as you have enough "stuff" to fill a number of pages. If you haven't noticed, I have kept to ten pages the last three months. There was a time when our newsletters were as many as sixteen pages with loads of art and loads of features. We'll get there again.

Peace to all. Happy New Year!

The Year In Review

No, not mine. I am suggesting that if you have four minutes and have not yet done so, you might want to visit the KofC web site and watch "Year In Review". This very short yet very moving video is found on kofc.org in the "news hub". You may be surprised to see what our Order has accomplished during 2021.

If you have not visited the Knights of Columbus web site, please do so. You will find loads in information that may help you draw to a closer relationship with and understanding of the order. Be sure to watch the "Into The Breach" series as well. This very well produced series was inspired by the "Apostolic Exhortation for Catholic Men" written by our own Bishop Thomas Olmsted.

Prayer to End Abortions

Lord God, I thank you today for the gift of my life, and for the lives of all my brothers and sisters. I know there is nothing that destroys more life than abortion, yet I rejoice that You have conquered death by the Resurrection of Your Son. I am ready to do my part in ending abortion. Today I commit myself never to be silent, never to be passive, never to be forgetful of the unborn. I commit myself to be active in the pro-life movement, and never to stop defending life until all my brothers and sisters are protected, and our nation once again becomes a nation with liberty and justice not just for some, but for all, through Christ our Lord.

Prayer to God the Father of all Life

Eternal God, You have revealed Yourself as the Father of all Life. We praise You for the Fatherly care which You extend to all creation, and especially to us, made in Your image and likeness.

Father, extend Your hand of protection to those threatened by abortion, and save them from its destructive power. Give Your strength to all fathers, that they may never give in to the fears that may tempt them to facilitate abortions.

Bless our families and bless our land, that we may have the joy of welcoming and nurturing the life of which You are the source and the Eternal Father. Amen.
